It seems like Democrats are racing against the clock to impeach Trump over a nothing burger in Ukraine.

They seem fully willing to sacrifice Joe Biden to do it.

Why would they do that?

It seems that they want to fully control the Ukraine narrative before the whole truth comes out, because Joe Biden is not the only key Democrat that has some explaining to do about Ukraine dealings.

FROM THE STORE

Corruption runs deep in the Deep State! No wonder the Democrat House wants to get rid of President Trump now. Speaker Pelosi and Democrat Rep. Adam Schiff are both connected to a Ukrainian arms dealer. This is why they lie in front of the nation. They are afraid of their own deeds being uncovered!

As reported this morning, Adam Schiff leads the House Intelligence Committee and this past week he oversaw the Intel Committee where he attempted to align President Trump with some 'trumped' up allegations concerning his phone call with the President of the Ukraine.

Schiff lied in his opening remarks and claimed numerous falsehoods about the President's call in spite of the transcript being provided the day before.

His entire description of the President's call was a lie – we have the transcript and this was not in it!

There is much more to this Ukrainian Arms Dealer that can be found at this link. Of course, Obama's Secretary of State Kerry, his Vice President Biden and DNC operative Alexandra Chalupa are all connected.

Chalupa is connected to the Steele dossier as well as Ukrainians and Democrat leaders.

And the best part is that you never have to worry about paying him back for any of these favors, because it's all absolutely free, no strings attached. After all, everyone knows that Ukrainian arms dealers float the election campaign of congressional candidates like Adam Schiff, Nancy Pelosi, and Loretta Sanchez, because they are just so cuddly and lovable.

If you don't buy any of this, then the following Adam Schiff, Nancy Pelosi, and Alexandra Chalupa linkage below agrees with you.

John Brennan Begs for More Whistleblowers to Come Forward on Twitter

It seems that Pelosi and Schiff have a few extra reasons to make this Trump-Ukraine false narrative impeachment stick and if Joe Biden goes down for it, they will allow it.

Democrats Rush to Have Articles of Impeachment Ready for Vote Around Thanksgiving
Most of The House Now Supports Impeachment – and Some Republicans Senators Are Looking Really Shaky

Their first priority will be impeachment and their second will be to cover up their own shady dealings with an arms dealer from Ukraine.

If they can somehow save Biden, that would be a bonus but not a priority.

This story needs to be spread far and wide so that the American people can see the REAL indiscretions of those leading this witch hunt.
